Honorable William Birrell Franke
Secretary of the Navy

Dear Mr. Secretary:

Reference is made to Honorable James H. Douglas' June 27, 1960 letter to Chairman John A. McCone which stated that Mr. Douglas had requested the Secretary of the Navy to assist in the formulation of a written agreement between the Atomic Energy Commission and the Department of Defense, which will provide for the intergovernmental transfer of the Eniwetok Proving Ground, its facilities and equipment.

I am enclosing two signed copies of such an agreement, which was jointly prepared by AEC and Navy Department staff representatives. Subject to your concurrence, it is requested that one copy be signed by a representative of the Navy Department, for the Department of Defense, and returned to the Atomic Energy Commission.
