UNITED STATES GOVERNMENT

Memorandum

TO : Secretary

FROM : Acting Surgeon General

SUBJECT: Draft Memorandum for [illegible]
Guidance for Federal Age[illegible]

It is our understanding that [illegible] memorandum [illegible] been discussed only briefly within [illegible] Council, and that the Atomic Energy [illegible] suggest substantial revisions.

However, at the meeting of [illegible] Chairman, suggested that we submit [illegible] draft to you for the consideration [illegible] May 4. Our comments may be divided [illegible] These comments have been discussed [illegible] tration, and we understand the [illegible]

The principal policy matter [illegible] 6, where it is believed that provi[illegible] to the Federal Radiation Council or [illegible] this provision some of our major sou[illegible] people without the knowledge of the [illegible] or after the fact. Therefore, it [illegible] added after the word "situatio[illegible] the Federal Radiation Council.
