FEDERAL ACTION IN [illegible] STATE [illegible]
EDUCATI[illegible]

LEO A. HOF[illegible]

Governments, at all levels, sha[illegible] ia[illegible] out protection. They must in part k[illegible] weapons and what people can do to prote[illegible] and train.

OCDM is providing leadership [illegible] operational forces. It is creating a growi[illegible] American Public.

OCDM conducts a formal train[illegible] defense through the staff [illegible] training centers at Manhattan [illegible] and Battle Creek.

Courses for Federal officials [illegible] are conducted in the States by [illegible] course is then, in turn, taught [illegible] OCDM.

The training centers are used [illegible] management, staff and technica[illegible] on the RADEF program. The RADE[illegible] radiological defense offic[illegible] RADEF problem.

I am heartened by the increasing [illegible] the assistance of the Federal O[illegible] departments, OCDM is distribu[illegible] adiologica[illegible] struction material to half of the [illegible] Nearly one million students lear[illegible] classes last year.

We are now adding about [illegible] Six of them give academi[illegible]

Because the detection instrume[illegible] training in our radiological de[illegible] State

and local operational pro[illegible]
being added to school curricula [illegible]

National educational asso[illegible]
advising their members [illegible]
in the schools.

The adult education system ha[illegible]
community and personal [illegible]
jects in Minnesota, Florida, [illegible]
The Office of Education is man[illegible]
with State education depart[illegible]
professional instructors [illegible]
in turn, instruct a series of [illegible]

The first of eight traveling te[illegible]
months ago. Today, almost [illegible]
local teachers is already train[illegible]
local leaders. I believe w[illegible]
people instructed in this way [illegible]

A text book, the first ex[illegible]
1960.

Another OCDM project a[illegible]
profession is nearing complet[illegible]
Tennessee. A special Peabo[illegible]
and methods for colleges to in[illegible]
cepts into teacher training cu[illegible]
this year and issued to a pro[illegible]

As soon as possible, I wi[illegible]
to teach civil defense.

To speed school building proje[illegible]
motion picture for schools su[illegible]
istrators how to establis[illegible]

All of you must be awar[illegible]
our work. Two radio network [illegible]
civil defense shows. Another [illegible]
on 2,100 stations each week [illegible]
each week, thousands of [illegible]

With television time so expen[illegible] rare. Our 15 and 30-minute [illegible] televising, but we concentrat[illegible] television and motion pictur[illegible] a year, include one-minute, [illegible] family protection.

Some of our special radio an[illegible] attention. "The day called X [illegible] outlines an evacuation o[illegible] continuity of governme[illegible] 20,000,000 people.

Our motion picture staff prod[illegible] current with three prod[illegible] now. The films are [illegible] meetings.

Civil defense activities [illegible] pool in New York City fo[illegible] to theaters.

We also issue special materi[illegible] Defense Day, Farm Wee[illegible]

Since the shelter policy annou[illegible] thousands of columns of spac[illegible] OCDM publication, "The Fami[illegible] News feature and picture page[illegible] and daily newspapers ge[illegible]

Magazines are finding wide re[illegible] national circulation magazine[illegible] queries to our office for home[illegible] technical magazines nationa[illegible] and industry periodicals [illegible]

Booklets and pamphlets are [illegible] one hundred million in Fiscal [illegible] Most were [illegible] request of State and local Gove[illegible] Most [illegible] The Handbook for Emergencies, [illegible] Fallout Shelte[illegible] Know About the National Plan, and What You Should Know Abo[illegible] Radioactive Fallout Protection. Distribut[illegible] five steps to personal protecti[illegible] two years
