Mr. Lanny Lane
Acting Secretary of Transportation
Majuro, Marshall Islands 96960

Dear Lanny:

Enclosed is our check for $6,007.70 representing payment for use of the M. V. Marshall Islands between May 19 and 23.

I wish to thank you on behalf of the U.S. Department of Energy and personally for the assistance you gave us. Your suggestion and help in arranging Jaluit as the location for performing the Brookhaven National Laboratory Whole Body Counting proved very valuable and insured a successful mission.

Sincerely,

Signed By

H. U. Brown
Program Liaison Officer
