(SCIENTIFIC) FOR OPER. REDWING +  
HARDTACK

1. Reference is made to telephone conversation between Colonel Cushing and Lt Colonel Cruise on 1 April 1955.

2. Enclosed herewith is a list of personnel who were on TDY with Task Group 7.1 during Operation CASTLE.

3. It is to be reiterated that the TDY requirements submitted by this Headquarters on 7 Feb 55, plus the permanent party (excluding Rad Safe), should provide substantially the same numbers as were present during CASTLE. The extreme housing shortage at Los Alamos and the inability of this Headquarters to forecast prior to late fall 1955 any alleviation necessitates a voluntary reduction in PCS personnel until that date. Thus, the seemingly increase in TDY requirements represents:

- a. This Headquarters' attempt to secure sufficient personnel.
- b. Experience gained during CASTLE.
