Joint Task Force SEVEN
12th and Constitution Avenue, N. W.
Washington 25, D. C.

Dear Sir:

The draft forwarded with your letter of June 21, 1954, subject, "Coordination of Draft Letter," reflects accurately the spheres of responsibility in the matter of resettling the inhabitants of Bongelap and Utirik, as understood by the cognizant divisions of the Atomic Energy Commission.

Since the Department of the Interior has a continuing and deep interest in this matter, it is suggested that a copy of the final letter to Santa Fe Operations Office be furnished Mr. William Yocmans, Insular Division, Department of the Interior.

Sincerely yours,

(SIGNED)
