Honorable John W. Heselton

House of Representatives

Dear Mr. Heselton:

This is in acknowledgment of your expression of interest in behalf of Mrs. Arthur W. Sherman who has communicated with you concerning the welfare of the displaced natives from Bikini, Marshall Islands.

Upon checking into this subject I have been informally advised that this matter is under the jurisdiction of the United States Atomic Energy Commission. Your letter and inclosure have been referred to Congressional Communications Office, (Attention: Mr. Edward W. Trepnell), United States Atomic Energy Commission, Washington 25, D. C., for the necessary attention.

I trust this action meets with your approval. If I may be of further service, please advise me.

Sincerely yours,

C/Deaton/53679
