Dear Dr. Donaldson:

I have not yet heard from you in regard to your wishes for accomodations on the LST 1083 for your survey. However, I have just received a letter from Lt. Cdr. Casseday, USN, the skipper, in answer to my inquiry on your behalf.

I am enclosing a copy of his letter which should give you the desired information. I believe we can get along with use of one boat so you could use the other.

Hope everything works out well for your survey. It will be a pleasure being together again - like old Bikini days. I will be glad to firm up arrangements on your behalf with the Lt. Cdr. Casseday if you desire. Best personal regards,

Sincerely,
