Subject: USE OF ALOTO FOR BONGELAP ECOLOGICAL SURVEY

Reference: AEC ltr TEE:MP:H-6400 dtd 11 June 1959

Gentlemen:

DEM funds (6000 program) in the amount of \$60,000 have been made available to Albuquerque Operations Office to cover cost of the University of Washington support requirements during the month of September 1959. These support requirements include the use of the ALOTO from 1 September through 26 September.

It is requested that support requirements outlined in the enclosure to the referenced letter be made available prior to 1 September 1959.

Sincerely yours,

RAY C. EMMIS
