SUBJECT: AEC REENTRY RIGHT TO EPG

On June 20, 1960 General Starbird again discussed with Chairman McCone the question of how AEC's reentry right to EPG should be defined. In particular, should the basis be the text in Chairman McCone's June 3 letter to Secretary Gates, or does the basis need redefinition? Chairman McCone confirmed that the AEC reentry right as described in the June 3 letter, extracted below, is satisfactory.

"... We would intend to include in the agreement recognition in principle that the AEC could use the EPG for any activity which it might later need to conduct there if it is accomplished without cost to the DOD, and without interference with your essential activities there."
