Dear

As you know, your letter of July 20, 1978 to the President was referred by the Department of Justice to us for a more detailed reply. Unfortunately, after carefully reviewing your letter, we find that we are not the agency with responsibility for this particular matter. Accordingly, we are taking the liberty of reforwarding a copy of your letter to the Department of Energy. We know that you can expect a prompt and detailed reply from that Department's officials.

Sincerely,

A handwritten signature in cursive script that reads "Thomas R. Combs".
