RE: Bikini People

BEST COPY AVAILABLE

Dear Mr. Roger Ray:

I am enclosing a letter which I recently received from my representative on Bikini. You will note that it is reported to me that some of the people are upset because Dr. Conard is not going to visit them this year to complete his usual examination.

By a copy of this letter, to the attorney for the Kili people, I am requesting Dr. Conard be allowed to conduct his unusual examinations for those who desire it. This would require your authorization and Dr. Conard's consent, of course.

I would appreciate any assistance you can offer for the people.

Sincerely yours,

Oscar de Brum
District Administrator
