KWAJALEIN TEST SITE

Dear Mr. Brummett:

Plans for the forthcoming medical survey in the Marshall Islands are progressing. Since the Army has taken over command at Kwajalein, and in view of uncertainties in regard to clearance requirements for personnel, I am at this time sending you the list of United States personnel with the clearance information available on each person, as well as the requests for MATS flights. The statements on security status of individuals, where available, have been attached.

<u>Name</u>	<u>Address</u>	<u>Clearance</u>	<u>Date of MATS Flight from Hickam to Kwajalein</u>

It is requested that the following people on this list be given ~~over~~ 100 lbs. extra weight allowance for MATS travel: R. A. Conard, W. A. Scott, D. G. Clareus, and L. M. Cook.

It will be appreciated if you would expedite clearance procedures on these people and issue travel orders.

The whole air shipment of medical equipment is planned for mid January. The Inspector of Navy Material will handle this shipment via MATS upon receiving your authorization and appropriation charge number.

If there is any other information that you need, please let me know.

Sincerely,

Robert A. Conard, M.D.

P.S.: Dr. Leo M. Meyer would appreciate your finding out if it is possible for his wife to visit him at Kwajalein while he is there. I don't know whether or not Redstone Arsenal will be willing to give permission for this or not, but I told him I would inquire. Dr. Rall's clearance will be forwarded to you upon receipt.
