Dear Mr. Bonnet:

I am sorry I did not get to see you on my way back from the Islands, but I want to take this opportunity to thank you for the assistance you and Mr. Rasmussen gave me. It was an excellent idea to have Mr. Rasmussen with me on the trip, and I think that we accomplished a great deal in solving mutual problems with the Trust Territory. I also appreciate very much the fine way in which you folks handled and the other patients that have been in Hawaii.

We are most pleased with the able assistance that we are receiving from the Atomic Energy Commission in Honolulu in carrying out these surveys.

Sincerely,

Robert A. Conard, M.D.
