5/29/57

On 5/26/57 attached was  
discussed with MBG pointing out  
WBR should be indoctrinated -  
perhaps - that the kind of work  
here called for was a Health  
chem responsibility, not Patterson's.

Letter handed to me  
5/29/57 by MBG "I guess there's  
nothing more on this?"

Nope...
