MEMORANDUM

May 15, 1956

TO: General Administrative Distribution.

FROM: Classification Section, UCRL, Livermore.

SUBJECT: Declassification of Certain Information Relative to Operation REDWING.

A letter from Wilbur A. Strauser, Deputy Director, Division of Classification, USAFC, dated May 8, 1956 is quoted in part for the information of all concerned:

"This is to confirm that the following information relative to Operation Redwing has been declassified:

- a. The code word "REDWING" when associated with 1956 test operations. (For this operation, topics 2.12, 2.13, 2.14 and 2.15 of the AEC-DOD General Classification Guide for Test Operations in the Pacific Proving Grounds have become unclassified).
- b. Time to the nearest minute and approximate yield of La Crosse detonation.
- c. Advance notice of expected date of detonation of shot Cherokee. The fact that it is to be an air burst with yield of several megatons."
