Development:

Attached is a copy of your February 10, 1958 letter requesting a loan of LST loading and processing equipment which was made to Cooper Development Corporation, Menlo Park, California on behalf of this laboratory under our Contract W-7403-ENG-52 with the U.S. Atomic Energy Commission.

We sincerely appreciate your cooperation in having made this equipment available. Our needs with Cooper Development Corporation no longer require this loading equipment. Attached is a copy of a letter from Cooper Development Corporation dated January 19, 1959 requesting us to request you to relieve this laboratory of accountability responsibility and transfer accountability to the Navy as stipulated by Cooper Development Corporation.

Your action on this behalf is respectfully requested. We will appreciate a letter releasing us from accountability responsibility.

Very truly yours,

C. L. Blue
Assistant Business Manager
