24TH REGULAR SESSION, 1977

RESOLUTION NO. 20
N.D.-T

A RESOLUTION

That the Energy Research and Development Administration of the United States government assume full responsibility for medical treatment of radiation victims on Rongelap and Utirik Atolls;

IT IS REQUESTED that the Marshallese people through their Marshall Islands Nitijela at the 24th Regular Session, 1977, that the Energy Research and Development Administration of the United States government assume full responsibility for medical treatment and care of radiation victims on Rongelap and Utirik Atolls; these victims shall be treated in facilities in the mainland United States and not in Hawaii; that assistance in any form or requirement for any purpose be uniformly applied per status to the Rongelapese and Utirikese, if they are direct victims of the fallout, after-fallout victims or a control group.

IT IS FURTHER REQUESTED that certified copies of this resolution be sent to the Director, Energy Research and Development Administration, Springfield; to Mr. Cyrus Vance, Secretary of State, United States; to Mr. Jukka Louhe, United Nations Ambassador, United Nations, New York; and to Mr. Jimmy Carter, President of the United States.
