1901 Constitution Avenue, N.W.
Washington 25, D. C.

Dear Mr. Marshall:

Reference is made to your telephone conversation of this date with Major John Galley, AFSPW, concerning classification of ~~SECRET~~ technical reports.

Under separate cover we are forwarding copies of ~~SECRET~~ reports 15, 21, 24, 32, 39 and 43. These reports have been reviewed by this office and in our opinion may be considered Type "C" Restricted Data as defined by the NSM-NSC Classification Guide. It is not intended that any change be made in the principal classification.

It is requested that your office review the reports and advise us whether you concur in our proposal to declassify the reports within the Department of Defense as Type "C" Restricted Data. Because of the limited supply of these reports and in short supply, it is also requested that they be returned after your review.

Your cooperation in this matter is appreciated.

Sincerely yours,
