Los Angeles 17, California

Subject: STATEMENT OF HOLMES & HARVER MEDICAL SERVICES AND FACILITIES OPERATED UNDER AEC CONTRACT AT(29-2)-20

Gentlemen:

It is requested that a comprehensive statement, subject as above, be prepared and submitted to this office in 12 copies for the information of concerned individuals and agencies such as LASL, UCRL, EG&G, and others normally supported at the FIG.

The statement should be descriptive of facilities at each site, and limitations thereof, as to scope of service capabilities, i.e., X ray, surgical, dental, as related to degree of suitable treatment for injuries and illness.

Qualifications and names of present medical personnel, as related to treatment, surgical and other, should be set forth clearly. Standards, or job descriptions, covering related positions should be included.

Supplemental treatment procedure, evacuation facilities, and qualification of personnel such as are available at Eniwetok, Kwajalein, and Honolulu should be described.

Procedure in event of death should be fully described, including investigation, reporting, transport, post-mortems and any action performed or coordinated by Holmes & Narver.

It is further requested that this statement be supplemented with pertinent information concerning changes in key personnel
