Dear Mr. Pearson;

Under separate cover you will receive a disk recording of the interview we did in the KSUB studios January 13, 1954. I am sending two disks... one to be passed on to Col. Trum as he requested.

Once again I would like to thank you for your kind consideration in taking the time to come to our studios and make the recording. We had much favorable comment on the program from our listeners and I am sure it did much good for all concerned.

Please feel free to call on us for any assistance or information that we may be able to give in the future.

Kindest regards,

Robert L. Heyborne
