

SEP 11 1954

Mr. Lambert Howland's
Lecyrene
Mississippi

Dear Sirs:

Thank you so much for the additional information
regarding the tung oil.

In accordance with your suggestion, we are taking
steps to present the material to the National Research
Council's Committee on Cancer, its needs and therapy.
We believe that this Committee is the appropriate
agency to deal on the efficacy of the tung oil
preparation.

Sincerely yours,

Howland G. Strauss
Assistant

cc: Chairman
General Manager
