Dear Dr. Bugher,

As I mentioned in my letter to you on 16 December, we have now completed the outline of your discussions. As agreed, it is a very summary report, as for our own internal use, we can always refer to the minutes for greater detail.

..... I would be very grateful if you would correct the enclosed copy and return it to me as soon as possible so that we can put the report in its final form.

With all good wishes,

Yours sincerely,

F. Borolle
