TO: **F. A. McENEANY (PFI)** JOB: **884**
 FROM: **H. B. HOLLAND** RE: **HEINSTEK MARINE BIOLOGICAL LABORATORY**

DATE: **FEBRUARY 19, 1954**

✓
 Enclosed herewith is copy of letter dated February 16, 1954 from Mr. Tuman covering packing and crating of laboratory supplies for the Heinsteck Marine Biological Laboratory. Also attached hereto is copy of letter dated February 10, from W. R. Bass of the Division of Biology and Medicine together with a list of the laboratory supplies involved.

This material is to be handled in the same manner as the equipment for the Hawaiian Experiment.

For identification purposes, please use the list and item number.
