

R

TO: F. A. McKEANEY JOB: 884
FROM: J. H. MANNING RE: DONALDSON EXPERIMENT

DATE: JANUARY 27, 1954

Attached is copy of a teletype from J. R. Turan to the Division of Biology and Medicine, Washington, D. C., on the subject of equipment transfer which lists therein items which have not yet been received. Please review this with your receiving reports and advise the current status of these items.

Upon receipt of all items on this transfer, together with purchase orders and contracts previously forwarded to you, please ask Pacific Ports Industries to make a separate billing including all items for which they have not billed us, to plainly mark it for the "Donaldson Experiment", and forward same to our Accounting Department for payment in order that our Accounting Department may in turn advise the Santa Fe Operations Office of the total cost for this service and thereby obtain reimbursement from the Division of Biology and Medicine.
