January 12, 1954

Subject: Contract AT(29-2)-201

Dear Sir:

Attached hereto is a copy of a memo which has been received from our Shipping Department, together with a copy of Pacific Parts Industries' Receiving Report No. 5003-1 and two copies of O&S No. 5003-1.

Please note that the plate for Item 13 was received broken. It may be that you will wish to have the Fisher Scientific Company replace this item, and for this reason we are forwarding the Receiving Report and the O&S Report.

Please note that the Receiving Report is for a partial shipment on your Contract AT(29-2)-201. Items 7, 8, 9, 10, 22, 36 and 38 have not as of this date been received at Pacific Parts Industries.

Very truly yours,

HOLMES & HARVER, INC.
