ACTION: N. L. Cohen

We were authorized verbally by Mr. Paul W. Spain, AEC, on March 25, 1953 to proceed with the preparation of a map of Bikini Atoll to a scale of 1" = 3000'. The coordinate system shown by drawing 7202-AB-10 should be used on this new map.

The map is to be done on one single sheet from which CB (cloth) or film transparencies can be made as orders regarding them.
