Re: [illegible]

I have been invited by the House Banking and Currency Committee to hear testimony on the legislative program for January 25 and this might conflict with my obligation to be present at the [illegible] conference with [illegible] Governors on Federal Home Loan. It is possible, of course, that both could be handled in the same way, if not conflicting.

Memorandum for: Robert E. Merriam
Deputy Assistant to
the President
The White House

I have been invited by the House Banking and Currency Committee to Hearings on Housing Legislation on January 25 and this might interfere with my being able to be present at the President's Conference with Governors on Fallout Protection. It is possible, of course, that both could be worked in if the times are not conflicting.

Very truly yours,
Walter A. Mason
