UNITED STATES
ATOMIC ENERGY COMMISSION
WASHINGTON 25, D. C.

February 14, 1955

Dear Elmer:

Enclosed are 12 copies of the Chairman's Statement and the Commission's Report on "The Effects of High-Yield Nuclear Explosions," which will be distributed tomorrow, Tuesday, noon for publication at 4:00 PM the same date.

As you know, we supplied copies of the Report, but not the Statement, to the Department of State last Friday afternoon for delivery to the British and Canadian Embassies in Washington and for transmission by air mail pouch to all U. S. embassies and legations.

I assume that you will wish to distribute the attached copies to the OCB, calling attention to the publication hour and date.

Sincerely,

A handwritten signature in cursive script that reads "Paul F. Foster".
