OCB 337 Minutes. MAY 1958

Agenda Item 6 -- Other Business

a. Noted that the Atomic Energy Commission will bring the Board at a future meeting on the U.S. side in the Urawa Conference Center scheduled for August.

b. Discussed the possibility of a "free exhibit" to be displayed, possibly through voluntary subscription, and perhaps a "free exhibit" on the idea of a "free exhibit".

c. Discussed current concerns re genetic effects of nuclear testing, which has a bearing on the Conference in Geneva for Geneva and other U.S. interests. Agreed to defer action to deal with this matter until the return of Admiral Strauss scheduled for May 15. If the type of circumstances should demand earlier action, will be invited and encouraged to participate in it.
