Dr. J. R. Killian, Jr.
The White House

Dear Dr. Killian:

The Atomic Energy Commission has no objection to the changes in the classification rules applied to Project Argus suggested in your memorandum to Mr. McCone and Mr. Quarles dated April 22, 1959.

We are presently consulting with the Department of Defense to effect the further changes in the DOD-AEC Argus Classification Guide suggested by your memorandum. Copies of the revised guide resulting from these consultations will be furnished to you as soon as they are available.

Sincerely yours,

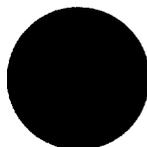

A. R. Suedeker

General Manager
