CROSS REFERENCE SHEET

108

Name: STRAUSS, Lewis L.
Chairman,

Date: April 2, 1956

Organization: United States Atomic Energy Commission,

Address:

Regarding: Ltr to Mr. Hagerty saying in coordination with the Dept. of Defense they are proceeding with a program for public reporting on a pooled basis (with exception of the wire services) of the first detonation in the upcoming nuclear test series at the Eniwetok Proving Ground which is scheduled for about May 1, 1956. Attached is newsrelease dated April 2, 1956 - Joint Office of Test Information - Pooled Group of U.S. Newsmen Invited To Cover Pacific Test etc. (Atomic Energy)

AIS Ltr to Mr. Hagerty from Mr. Strauss 5/24/56 advising him that Everett HOLLES who just returned from Eniwetok agrees it was a splendid idea to have invited the press. since idea was his, wants him to know the advice was good. Ltr from Mr. Hagerty to Mr. Strauss 5/26/56 - delighted to learn that all believe it was beneficial to have the press present at Eniwetok.
