Dear Mr. Jackson:

On Friday, February 12, we will have the first print of the OPERATION IVY film, further deleted and provided with fore and aft pieces to adapt it for civil defense promotion. All of us have discussed this, and my understanding is that there is no longer any problem about public issuance of this adapted version of the film. We would like to show it to you or your representatives at once and receive any final comment you may have.

We will screen it in Room 213 at our building on Monday, February 15. Please let me know if you can be there or send a representative for the final viewing before release.

Sincerely yours,

Lewis L. Strauss  
Chairman

Honorable C. D. Jackson  
Special Assistant to the President  
The White House
