In effort resolve difficulties re water, Department desires know overall length, beam and draft SHUNKOTSU. Also desire verify total quantity one eighty tons. Japanese should be informed water like provisions provided on reimbursable basis and will probably cost 5 cents per gallon excluding delivery cost.

CAA suggests Transocean Air Lines which services JAL Wake may be able provide water. Suggest you explore this possibility.

We assume SHUNKOTSU will not (repeat yet) arrive Wake prior May 29.

Department concerned total bill for provisions and water which we expect will be presented Japanese Government through Embassy will be considerable but see no escape this late stage.
