Re Marshallese petition on Trust Territory of Pacific Islands strongly (URTELS 655 and 656). DEPT agrees/special Security Council note should be avoided. In DEPT's view all petitions relating to TTPI fall under para 3 of Security Council Resolution S/1280. In no case in past so far as DEPT aware has this para been interpreted to require that SC be notified re petitions on TTPI in advance of their consideration by Trusteeship Council. In past SC has been notified as to petitions, like other TTPI matters, in annual TC report to SC. DEPT sees no reason for changing past practice and urges that SYG be asked follow it in this case also.
