

Department here. This could be done direct, through us, or through Chalk River, whichever appears more appropriate to the U.S. Atomic Energy Commission. The Defence Research Board would like to be kept informed of the results of any such work, but we, of course, could get our information from the Fisheries Department if the U.S.A.E.C. provides it to them.

3. This does not appear to be a military matter, so I am addressing this to you as Defence Research Member and sending a copy to Dr. W.B. Lewis at Chalk River.
