221st AEC Meeting -2-56

19. Supplemental Announcement on Weapons Developments at Operation REDWING (pp. 179 - 189)

(In approving these minutes, the Commission requested that the transcript of this part of the meeting be used in lieu of this section of the minutes as originally written.)

* * * * *

COMMISSIONER LIBBY: I have to discuss one point. It seemed to me that our clean bomb announcement ran into some difficulties. Various tempers flared, and so on about it. I just wonder whether some form of new clean bomb announcement might not be wise when it is made in such a way that is clearly not controversial.
