Commission Actions

- AEC 23/22 - Proposed Regulations for the Licensing of Production and Utilization Facilities - Approved as revised.
- AEC 786/1 - Draft Regulations for the Issuance of Operators Licenses - Approved except for question of scope of background investigation for operators. Publication of regulations to be withheld. Licensing and B & M to consult further on medical exam form.
- AEC 655/28 - Access to Classified Non-Military Information - Approved as revised.
- AEC 707/38 - Revised Schedule for TEAPOT - Approved. **BEST COPY AVAILABLE**
- AEC 807 - Opening of the Town of Los Alamos - To be reconsidered when new laboratory building is opened.
- AEC 194/22 - Transfer of Portion of Weldon Spring Ordnance Works to the AEC - Approved as revised.
- AEC 274/33 - Termination of Trail Contract for Production of Heavy Water - Approved. If AEC and Canada agree to close the plant, we will point out in a press release that AEC can produce heavy water cheaper elsewhere. *I thought we agreed not to issue a press release*
- AEC 294/72 - High Current Accelerator Research at UCRL - Approved. *file*
- Letter to JCAE and Press Release on Power Development Reactor Program - Letter to JCAE approved. Press Release approved with revisions.
- Research Reactor for the Philippines - Approved gift of a research reactor to the Philippines subject to conclusion of a bilateral agreement and to appropriation action.

No press release unless Canada decommits close plant.

Commission Actions

11. AEC 385/82 - Selection of Architect-Engineer and Construction Management Contractor for MVGC Project and AEC 385/83 - Negotiations between EEI and Ebasco Concerning the Joppa Contract - Deferred.

12. Release of Film on Nevada Test Site - Approved. Dr. Libby suggested Mr. Murray be informed of this action.

13. Press Release on Project TROLL - Approved. To be referred immediately to OCB.

Other Business

1. Health and Safety Conferences with State Representatives - Mr. Price said he would prepare a draft letter to State governors inviting them to send representatives to conferences on health and safety aspects of reactor operations.

2. Next Commission Meeting - The Commission agreed to meet at 2:15 p.m. on Monday, April 11.

3. WIGWAM Press Release - The Chairman reported that Navy has agreed to a release one or two days after departure of Task Group. He said he would attempt to obtain Mr. Wilson's approval.
