3. Draft Statement by the Chairman for the Joint Committee Hearings (pp. 24-25)

1075th AEC meeting

8-1-55 4-13-55
c

The General Manager said that a draft statement had been circulated which the Chairman would present at the Joint Committee hearings to be held on Friday, April 15 on the effects of atomic explosions. The Chairman said that the OCB would consider the international relations aspects of the statement soon and that any changes would be circulated to the Commissioners.

At this point, General Keirn, Commanders Nelson and Crawford, and Messrs. Davis, McCarthy, Miller, Mackenzie, Cook, Tammaro, Oakley, Holles, Thornton, and Salisbury entered the meeting.
