FOLDER MR*A 7 Redwing Vol. II

The General Manager requested that his letter to General Loper, attached, be circulated for the information of the Commissioners. This letter was in answer to General Loper's letter to Mr. Strauss dated 12 July, which I understand has already been circulated as an information paper. I suggest that your cover page show that the General Manager's letter was dispatched subsequent to the concurrences of the Commissioners in the action as outlined. (Verbal concurrences of Dr. Libby and Mr. Murray were given to General Starbird, and those of Mr. Strauss and Mr. Vance to Colonel O'Bryan, all on 18 July.)

Request that after reproduction the attachment be returned to this office.
