REVISION OF HARDTACK SCHEDULE

SYMBOL: SECY:JEA

1. This is to confirm for your records that at Meeting 1321 on December 18, 1957, Mr. Fields reviewed his proposed reply to Mr. Quarles' letter of December 12\* regarding acceleration of work on POLARIS, and the Commissioners indicated they had no objection to this letter. Mr. Fields also reported that necessary adjustments will be made in the HARDTACK schedule including provision for testing in connection with POLARIS, and said he would report to the Commissioners on these adjustments after a review of the schedule.

2. We understand that a staff paper on the revised HARDTACK program is being prepared for consideration by the Commission.
