Dear General Loper:

Reference is made to my letter dated January 29, 1958 concerning the HANDBACK test program, which enclosed a copy of my letter to the President of the same date giving the test program and requesting authority to expend special nuclear materials.

The President has approved the proposals for the HANDBACK test program and the safety tests planned for the spring 1958, as outlined in my letter to him. He also authorized the expenditure of the special nuclear materials required for these tests. Approval of the HANDBACK test program and the safety tests at NIS in the fall 1958 has been withheld pending further consideration of the matter.

Sincerely yours,

(Signed) Lewis L. Strauss
