Dear Mr. McElroy:

Mr. Quarles' letter to me of February 7, 1958 proposed an official observer program for HARDTACK.

That proposal together with other aspects of a HARDTACK observer program are being studied by the Commission. A firm answer will be forthcoming as soon as the Commission has reached a decision. Meanwhile, we shall continue to keep the Assistant Secretary of Defense for Atomic Energy informed of our observer plans.

Sincerely yours,

Chairman
