Subject: A BRIEFING BY GENERAL LOPER

1. In connection with the Christofilos idea the Department of Defense wants to conduct a very small test prior to September. They have found it can be done and the Secretary of Defense has instructed General Loper to meet with the Commission as soon as possible to determine whether the Commission has objections. General Loper can brief the Commission on this in a period of 10-15 minutes.
2. I have discussed this with the General Manager who has asked me to inform the Commissioners that, unless they object, he will tell General Loper to be at the Commission meeting at 2:30 P.M., today, Monday, 21 April, to inform the Commission.
