JOINT CHIEFS TASK FORCE 7 BRIEFING

SYMBOL: SECY:JMS

1. Attached is a letter from Brig. Gen. McGinley which you forwarded to us under cover of your memorandum of November 16, 1953, on the above subject. The Commission discussed this matter at Meeting 930 on November 20, 1953, and indicated that they did not desire a separate briefing but that one or more of the Commissioners, and perhaps the General Manager, might wish to attend the briefing to be given to the Joint Chiefs. General Fields was requested to make the necessary arrangements.

2. The Chairman indicated that if neither the Commissioners nor the General Manager were able to be present it would be desirable for someone in a responsible position to attend in order to audit the briefing.
