1. Meeting with Lt. Gen. John E. Hull

The Commission discussed with General Hull security and information matters in connection with the proving grounds program. General Hull reported that construction at the site was proceeding on schedule, and that no difficulty was anticipated in meeting target dates.

At this point General Hull and Captain Russell left the meeting, and General Kepner, General Hegenberger, Colonel Holzman, Lt. Col. Fields, Admiral Gingrich, and Mr. Trueheart entered. Mr. Strauss entered the meeting during the following discussion.
