Sandstone Vol. 1

Honorable David W. Lilienthal
Chairman, Atomic Energy Commission

Dear Mr. Lilienthal:

Reference is made to our letter, file: MIC 834 JPTC, dated 7 January 1948, in which you were notified of this Committee's concurrence in the General Advisory Committee's recommendation on weapons to be tested in Operation Sandstone.

The Joint Chiefs of Staff have considered this matter and, in view of the facts presented, they have no objection to firing three shots as proposed by the Los Alamos laboratory.

Sincerely yours,

LHJ
