MEMORANDUM FOR CHAIRMAN STRAUSS

R

SUBJECT: Proposal to Permit U. K. to Use Eniwetok

I was disappointed that you did not explore with Dr. Libby and me your idea of making Eniwetok available to the U. K. for weapons testing before presenting it to the GAC last week.

The brief arguments you presented to the GAC failed to convince me of the wisdom of this proposal. Therefore, I request that you discuss it further with Dr. Libby and me before taking any further steps in this matter.

Thomas E. Murray  
Commissioner
