Dear Dr. Bright:

The President has requested the Atomic Energy Commission to convey his commendation to the scientific personnel responsible for the success of the 1948 atomic weapon test program at Eniwetok Atoll.

Your outstanding work in the assembly of the test weapons was a significant contribution to the test program. The very high standards and careful techniques which you applied to your operations reflect your outstanding professional skill.

You personally have rendered the nation an invaluable service, and it is my privilege to convey to you, for the Commission, the President's commendation.

Sincerely yours,
