FOLDER MRA7 - Redwing Vol 1

R

MEMORANDUM FOR CHAIRMAN LEWIS L. STRAUSS

SUBJECT: OCB Memorandum re Observers at Redwing.

The above OCB document was delivered to my office late this morning.

I note that under the various proposed courses of action it is indicated that the Commission has arrived at a position. For example, under (d) on page 5 the document states, "This is the solution recommended by the AEC".

As you know a Commission position on observers at Redwing has not yet been established.

In view of these circumstances I request that you make my memorandum to you of March 5, 1956, a part of the record at today's OCB Meeting. (A copy of this memorandum is attached).
